The defendants send me a check in 8/30/2000, and my checks go to direct deposit and have been until the defendants took my benefits. The defendants have been receiving all of my benefits since 9/15/2000. The defendants have me fighting for my benefits that they have no-business with.
9. I, Jacqueline have been to hearing because the defendant Perene Rice have been going to BINGO every other night playing bingo with my benefits since she and the others stole my benefits from me. The defendants put their names under my names and all my benefits have been going to them every since 9/15/2000. The defendants never put me and my kids in any shelters or hotels once I, won my case with the Department of Transitional Assistance on Feb-20-2000. The defendants threw me and my kids in the streets behind the State back and have been spending my benefits every 9/15/2000. The defendants have been spending my (2) two checks a month and my food stamps I, Jacqueline have not received a check of my nor any of my food stamps from 9/15/2000, and the office and the defendants are trying to cover up the fact that they have been stealing my checks and food stamps up to now.
10. Now the Department of Transitional Assistance is telling me to appeal a case that they the department have took my checks and food stamps and the department do not have any business with. Here is all the proof that the defendants did steal my checks and food stamps and I need my benefit
11. The defendants Perene Rice was trying to send me and my out to some motor lodge in West Boylston, Ma 01583 with out any money and the defendants knew that my kids went to school in Roxburt and I, Jacqueline did not know how to get to the Sona Motor Lodge anyway. But the defendants was only trying to take my benefits as they the defendants did and this is why I have been fighting for my benefits.
